Dear Ms. Beaulieu:

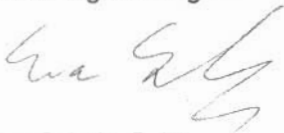

**Re: Water Use License Application for the Site Investigation at the
Former FOX-3, Dewar Lakes DEW Line Site**

On behalf of the Defence Construction Canada and the Department of National Defence, we are pleased to submit the attached water use license application. As required by the Nunavut Water Board, a license is needed to carry out the site investigation activities.

We trust the information provided is sufficient for you to process the application. Please feel free to contact the undersigned if you have any questions or comments regarding the application.

Sincerely,

UMA Engineering Ltd.
