**Subject: Submission of a 2008 Annual Report under Licence No. 1BR-FOD0813**

Dear Ms. Schulz;

The Nunavut Water Board (“NWB”) has completed a technical review of the 2008 Annual Report submitted under Part B, Item 1 of Licence 1BR-FOD0813. The report was distributed for information on April 16, 2009. No comments have been received. Included with the annual report were the following documents:

1. Updated Spill Contingency Plan;
2. Post Closure Monitoring Plan;
3. QA/QC Plans (2); and
4. Operation and Maintenance Plan.

The Annual Report was found to be complete as no work took place in 2008.

Please note that the Spill Contingency Plan, Post Closure Monitoring Plan and Operations and Maintenance Plan all require Board approval under Part H, Item 1, Part J, Item 17 and Part E, Item 2 respectively. The NWB will distribute the above 3 files for comment and review under separate cover.

Should you have any further questions, please feel free to contact the undersigned at (867) 360-6338 or by email to [dcarr@nunavutwaterboard.org](mailto:dcarr@nunavutwaterboard.org) at your earliest convenience.

Yours truly,

*Original Signed By:*

Don Carr  
Technical Advisor
