Re: Application Acknowledgement and Additional Information Required for the “Cambridge Bay Airport Remediation” Project Proposal

Dear Corrine Miller:

On April 5, 2012 the Nunavut Impact Review Board (NIRB or Board) received notice from the Nunavut Water Board (NWB) that Transport Canada (TC) had submitted an amended water license application dated March 16, 2012 for the “Cambridge Bay Airport Remediation” project proposal. The NIRB has assigned this project proposal file number 12XN023. All documents received and pertaining to this project proposal include:

- *NWB notice of distribution letter.*

The NIRB has undertaken a preliminary completeness check and finds that your project proposal does ***not*** contain sufficient information for the NIRB to permit proper screening. Specifically, the NIRB is requesting submission of the following information by **May 11, 2012**.

- *NIRB Part 1 Form (blank form attached),*
- *NIRB Part 2 Form and Project Specific Information Requirements (blank form attached),*
- *Non-technical Summary of the entire project including translations,*
- *Application materials submitted to the NWB associated with this application.*

Please forward all forthcoming submissions to the NIRB at info@nirb.ca or via fax at **(867) 983-2594**.

If you have any questions or concerns, feel free to contact me at 867-983-4611 or tarko@nirb.ca.

Sincerely,

Tara Arko
Technical Advisor
Nunavut Impact Review Board
