Dear Mr. Wall:

**RE: Water Use License Application for the Clean Up of CAM-2, Gladman Point**

UMA Engineering Ltd. is submitting the enclosed water use license application for the clean up of CAM-2, Gladman Point. The application is being submitted on behalf of Defence Construction Canada and the Department of National Defence. Please find enclosed three copies of the application, along with the appended supporting documents.

The 'Summary of the Project' was not included with the submission as we have not yet received the Inuktitut translation. As soon as the translation has been received, it will be forwarded to you.

If you have any questions or comments, please do not hesitate to contact the undersigned at 403-270-9220.

Sincerely,

**UMA ENGINEERING LTD.**
