Dear Sir/ Madam:

**Refer: Water Licence NWB5-GLA0308 Expiry**

A review of our records indicates that Defence Construction Canada has a water licence issued by the Nunavut Water Board for the CAM-2 DEW Lines Site, Gladman Point (NWB5-GLA0308) and it is going to expire on April 30, 2008. This water licence is for the use of water and deposition of waste into water by the CAM-2 DEW Lines Site, Gladman Point. You are reminded that in order to continue your use of water, an application to renew or amend the water licence should be sent to the Nunavut Water Board well before the licence expiry date. I suggest that Phyllis Beaulieu, Manager of Licensing at the Nunavut Water Board be contacted by phone: (867)360-6338 or by email at [licensing@nunavutwaterboard.org](mailto:licensing@nunavutwaterboard.org) for more information on applying for a licence renewal or amendment.

I have attached a copy of your licence for your own information. Should you have any questions, comments or require assistance, please do not hesitate to contact me, Andrea Cull at (867)975-4738 or by email [culla@inac.gc.ca](mailto:culla@inac.gc.ca) or even Jim Rogers, Water Resources Manager at (867)975-4550 or by email [rogersji@inac.gc.ca](mailto:rogersji@inac.gc.ca), at Indian and Northern Affairs Canada.

Sincerely,

*Original Signed By*

Andrea Cull  
Water Management Specialist
