Re: 1BR-HLR---- New Application – DIAND – Hope Lake Remediation Project - Kitikmeot Region

Dear Ms. Beaulieu:

The Kitikmeot Inuit Association (KIA) has reviewed current version of the Hope Lake Remediation Project application submitted by Aboriginal Affairs and Northern Development Canada for its Type "B" Water Licence, and we have no comments at this time.

The KIA would like to thank the Nunavut Water Board for the opportunity to comment on this file. Please feel free to contact us if you have any questions.

Sincerely,

Luigi Torretti, MSc, BComm Senior Environment Officer Kitikmeot Inuit Association
