Hello,

Please find attached an application for cancellation of Water Licence 1BR-IAD0606.

The required cheque will be processed April 7, and will be included with the printed application, which will be send by Canada Post.

In corresponding with Andrew Keim, Water Resources Officer AANDC, it is my understanding that the AANDC closure report has been provided to the Water Board under separate cover.

Please let me know if you require anything else in this matter.

Regards,

John
