Subject: Cancellation of Licence and Closure of NWB File

Dear Mr Hawkins:

On April 21, 2016 the Nunavut Water Board (NWB) received comments from Indigenous and Northern Affairs Canada, Water Resources Department recommending the NWB that the Licence 1BR-IAD0606 be cancelled as “today airport upgrades have changed the site so that it is no longer in a state that it could be inspected for the work that was done at that time”.

In accordance with section 43.(i)(c) of the *Nunavut Waters and Nunavut Surface Rights Tribunal Act* (NWSRTA), the Board may cancel a licence in certain specific cases.

The NWB hereby notifies parties that the aforementioned licence is now cancelled and that the corresponding NWB file is now considered closed. Any future relevant activities on this site will require a new water licence assessment.

Sincerely,

Karen Kharatyan
