Hi Rita.

Because we did not complete any work at CAM-1, Jenny Lind Island this year, we will not be submitting a summary report as requested in the above-noted water use license (reference our letter dated July 4, 2001). However, we will be submitting an application for renewal of the license, as we will be conducting the site investigation outlined in the previous application in the summer of 2002. We will be submitting the renewal application by the end of this month.

If you have any questions or comments, please e-mail me.

Regards,  
Eva
