Good morning Phyllis,

I'll split the document today and mail you a new CD. Sorry the complete document didn't suit your needs.

Regards,

Michael

Good day Michael, our office received the CD with the application and all supporting documentation on September 30th. However, it is all one document and we have attempted to split it for easier viewing by intervenors with little success. Would it be possible for you to split the document at your end and submit each appendix as separate documents?

Regards,

Phyllis Beaulieu- ΔC^h >C^hΔ
