RE: FOX-D, Kivitoo Remediation Project: Closing Water Licence 1BR-KIV1621

Dear Mr. Dwyer,

Crown-Indigenous Relations and Northern Affairs Canada (CIRNAC), on behalf of the Government of Canada, is the custodian of FOX-D Kivitoo for which Water Licence 1BR-KIV1621 applies.

The concluding year of the remediation project consisted in final inspection and demobilization of all equipment. Project activities conducted in 2019-2020 were reported in the 2019 Annual Report submitted to the Board.

The year 2019-2020 marked the closure of the site, as such, no work was performed in 2020 and there is no plan for future work on site. Since there are no features left on site, no Long Term Monitoring is required for this site. CIRNAC is requesting the Water Licence 1BR-KIV1621 to be closed.

If you have any questions, please contact the Project Manager, Rachel Theoret-Gosselin at Rachel.theoret-gosselin@canada.ca, or by telephone at (867) 222-0891.

Sincerely,

Charlotte Lamontagne
Director, Contaminated Sites
