Attached please find a Water Licence Application Form for a proposed landfarm operation at Kugaaruk. A hard copy version with larger drawings and a cheque for the application fee of \$30.00 has been sent to your office by regular mail.

Please contact me ASAP if additional information is required in support of this application. Our client has indicated that he needs access to this landfarm in order to begin the soil remediation project in the Hamlet of Kugaaruk this summer.

Thank You.
