**RE: Long Term Monitoring Reports for DEW Line sites**

Dear Phyllis:

As you are aware most of the DEW Line sites are now in the long term monitoring phase of remediation. The current agreement between DND and NTI has the monitoring structured to include; Phase I (years 1-5 post construction), Phase II (years 7, 10, 15, and 25) and Phase III (yet to be determined). I have enclosed the reports generated by the monitoring contractors for the 2013 field season. Below is a summary of what occurred at each of the sites; please notice for those sites where no activity occurred in 2013, no annual report will be submitted to the NWB.

Site	Activity	Reporting
PIN-2	Year 2 – Monitoring Program (Phase I)	Monitoring report enclosed
PIN-3	No activity on this site 2013	No report to submit
