Dear Ms. Beaulieu:

**RE: Water Licence Application for Cape Christian Site Remediation Project**

Indian and Northern Affairs Canada (INAC) is submitting the enclosed Water Use Licence application for the remediation of the Former Long Range Navigation (LORAN) station in Cape Christian, Nunavut. Two original copies and a digital copy of the completed application form and the supporting documents are enclosed.

The Cape Christian project is on commissioner's land, administered by the Government of Nunavut. In addition to applying for a Water Use Licence, INAC is also applying for a Land Use Permit with the Department of Community and Government Services (CGS), Government of Nunavut. INAC has also requested a conformity review by the Nunavut Planning Commission.

If you have any questions or comments, please contact the undersigned or the Project Manager, Dele Morakinyo at [morakinyod@inac-ainc.gc.ca](mailto:morakinyod@inac-ainc.gc.ca), or by telephone at (867) 975-4732

Sincerely,

Lou Spagnuolo  
Director, Contaminated Sites Program
