Dear Phyllis Beaulieu,

**RE: Annual Report Iqaluit Airport Landfarm Water License # 1BR-LTU1013**

Transport Canada (TC) is submitting this letter as the annual report for the above water license. No maintenance or physical work was completed during the 2012 field season. TC was unable to secure funding to continue the maintenance program during this period.

TC has been notified funding will be available to continue the required maintenance during the 2013 field season and anticipates the work will resume during the months of July and August.

Should you have any questions or would like to discuss please contact me by telephone at (204) 984-0440 or via email at [Michael.Molinski@tc.gc.ca](mailto:Michael.Molinski@tc.gc.ca).
