Mike, the De Beers application file # N2002J0020/NWB2BAF-De Beers falls outside the North Baffin Planning Boundary, therefore review by NPC is not required. You may proceed with your process. Also the Noranda file was reviewed as well. All documentation will be sent you as soon as its is possible.

Rita file # NWB5MAC submitted by UMA falls outside the Keewatin Planning boundary, no review required by NPC.

Any questions, please do not hesitate
