Dear Phyllis:

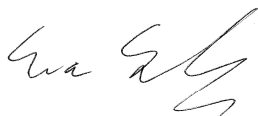

Project No: Water Use License 1BR-MAC0712; 2011 Annual Report
Regarding: Mackar Inlet DEW Line Site

AECOM Canada Ltd. is providing the following information as per Section B.1 of the above-noted water use license. The information is being submitted on behalf of Defence Construction Canada and the Department of National Defence.

All remediation and construction work at this site was completed in 2010. The activity on-site in 2011 included the overland demobilization of the camp and equipment to Hall Beach for transport to Montreal. There was no water used or waste discharged, nor were there any spills reported.

We trust the information provided is sufficient. Please feel free to contact the undersigned if you require any additional information.

Sincerely,
AECOM Canada Ltd.
