Re: Crown-Indigenous Relations and Northern Affairs Canada review of Water Licence 1BR-MDR1721 Renewal Application of the Iqaluit Metal Dump Remediation Project, Transport Canada

Dear Mrs. Sylvia Ekelik,

Thank you for your March 17, 2021 email request for review and comments on the above-noted water licence renewal application.

Crown-Indigenous Relations and Northern Affairs Canada (CIRNAC) reviewed the renewal application documents pursuant to its mandated responsibilities under the *Nunavut Waters and Nunavut Surface Rights Tribunal Act* and the *Department of Crown-Indigenous Relations and Northern Affairs Act*, and has no comments to provide to the Nunavut Water Board at this time.

CIRNAC appreciates the opportunity to participate in this review. If there are any questions, please contact me at david.zhong@canada.ca, or Bridget Campbell at bridget.campbell@canada.ca.

Sincerely,

David Zhong
Regulatory and Science Advisor
