

EXECUTIVE SUMMARY
2018 Annual Report for TC Licence No. 1BR-MDR1721
Iqaluit Former Vehicle Dump and Community Landfill

On behalf of Transport Canada, Dillon Consulting completed monitoring activities at the Iqaluit Former Vehicle Dump and Community Landfill between August 7, 2018 and August 20, 2018. The environmental monitoring program was carried out in accordance with the NWB licence requirements.

Based on the provisions outlined in the Performance and Long-Term Monitoring Plan (LTM), as part of the Nunavut Water Board (NWB) water licence number 1BR-MDR1721 issued July 31, 2017 and associated LTM approval letter dated September 25, 2017, long term monitoring will be undertaken at the site annually until July 30, 2021 to confirm that the environment and human health are being protected.
