**Re: Indigenous and Northern Affairs Canada's comment on the Performance and Long Term Monitoring Plan submitted for Transport Canada's Type "B" Water Licence – #1BR-MDR1721 – Former Iqaluit Dump Remediation Project**

Dear Mr. Dwyer,

Thank-you for the August 18, 2017 email invitation to comment on the above mentioned plan.

Indigenous and Northern Affairs Canada has reviewed the Performance & Long Term Monitoring Plan (LTM), Former Metal Dump and Community Landfill (Arcadis Canada Inc., August 2017) and found it to be adequate. We have no concerns or comments on the Plan.

Please do not hesitate to contact me at 867-975-3876 or [sarah.forte@aandc-aadnc.gc.ca](mailto:sarah.forte@aandc-aadnc.gc.ca) for any additional information.

Regards,

Sarah Forté  
Water Management Coordinator
