Good afternoon Jim – the notes I have from our meeting in Iqaluit on April 7, 2011 are as follows:

- a) Renewal to be forwarded to NPC and NIRB once received and complete
- b) Nunatta to provide as built for what is currently in place
- c) Need to assess security (third party) and post a security under the renewal
- d) Provide drawings for Cell 4
- e) Send Jim a copy of the waters regulations (attached) refer to section 12 on security
- f) Send Jim a copy of the Act (attached under separate email) large file

This is the only notes I had from the discussions held in Iqaluit.

Regards,

Phyllis Beaulieu
