Re: Application Pending Referral from an Authorizing Agency for Nunatta Environmental Services Inc.'s "Land Farm" Project Proposal

Dear James H. Wilson:

The Nunavut Impact Review Board (NIRB or Board) received Nunatta Environmental Services Inc.'s "Land Farm" project proposal from the Proponent on June 7, 2011. The project proposal submission included the following documents:

- NIRB Part 1 Summary Application Form in English
- NIRB Part 1 Summary Application Form in Inuktitut
- Maps
- Non technical Project Proposal summary in English
- Non technical Project Proposal summary in Inuktitut

The NIRB conducts screening (environmental impact assessment) of project proposals upon referral from Government departments/agencies and Regional Inuit Associations responsible for authorizing the proposed project works or activities. Please be advised that it is the Proponent's responsibility to apply for all authorizations and approvals required to carry out the proposed project works or activities.

Once the NIRB receives a referral from an authorizing agency, the Board will screen the project proposal in accordance with Article 12, Part 4 of the Nunavut Land Claims Agreement and will report to the Government Minister(s) responsible for authorizing the project.

If you have any questions or concerns, feel free to contact an Environmental Administrator via email at info@nirb.ca.

Sincerely,

Aliza Weller Environmental Administrator Nunavut Impact Review Board
