Dear Mr. James H. Wilson:

The Nunavut Water Board (NWB) has completed a technical review of the 2023 Annual Report for the Water Licence No: 1BR-NUN1828.

On February 28, 2024, the NWB acknowledged receipt of the Annual Report and provided it to the Qikiqtani distribution list for information. No comments have been received to date.

The technical review of the Annual Report found that the information generally addresses the requirements of the Licence. The NWB, however, notes that the Licensee has not provided all the submissions previously required by the Licence:

- a. Inclusion of a reference to the Licence discharge criteria or inclusion of the Licence discharge criteria directly in the manual.

To date, the NWB has no record of receiving this information which was due on May 10, 2018. Please provide this submission with the 2024 Annual Report.

Should you have any questions, please feel free to contact the undersigned at (867) 360-6338 (extension 29) or at abid.jan@nwb-oen.ca.
