Re: West 40 Landfill

Dear Mr. Wilson:

The City of Iqaluit would like to inform you that only Municipal Solid Waste (non-hazardous) will be accepted at the West 40 Landfill. The landfill will not accept contaminated soils or hazardous waste from Nunatta Environmental. The City holds the right to reject waste from Nunatta Environmental if it is suspected to be of hazardous material and will require Nunatta to provide tests results to prove that the waste is not hazardous before being accepted at the landfill.

Sincerely,

John Hussey
Chief Administrative Officer
City of Iqaluit
