Good morning Cynthia,

Laura and I were just discussing this question. I have drafted a brief memo in response and Laura will review it shortly so that she can submit it to you later today or early next week.

Regards,

Alison

Good Morning Alison,

Do you have any updates with respects to the Landfarm question? As an FYI, I've copied our NWB Director of Technical Services because he will look after your file in the new year.

Sincerely,

Good Morning Alison, I just called this morning again to follow-up.

per the attached comments from INAC, can you clarify if the monitoring work will also be extended to the landfarm and also provide a copy of the 2010 to 2016 annual reports.
