RE: Pelly Bay DEW Line Site

Dear Ms. Beaulieu:

On behalf of Indian and Northern Affairs Canada (INAC), I have reviewed the amendment application submitted for the Pelly Bay DEW Line Site. Based on the mitigative measures outlined in the application submitted by UMA Engineering, we support their plans to relocate the landfarm.

Should you have any questions or comments, please do not hesitate to contact me at (867) 975-4548 or by e-mail at mcchristiem@inac.gc.ca.

Sincerely,

Michelle McChristie
