Subject: Annual Report Requirement NWB5LON0308

Dear Mr. Warren:

The Nunavut Water Board (NWB) has reviewed the “2002 Annual Report for Water License No. NWB5PEL0104” and the “2003 Annual Report for Water License No. NWB5PEL0104” submitted on your behalf by the UMA Engineering Ltd. to the Board in accordance with Part B, Item 1 of your water licence. The NWB herein conditionally approves the 2002 and 2003 Annual Reports and thanks Defence Construction Canada for their submission.

It was noted following the review of the Annual Report submitted that additional information is required by the NWB, in relation to your 2003 operations. The 2003 Annual Report does not indicate the daily water usage, as required by Part B, Item 1 (i) of water license NWB5PEL0104. Additionally, an executive summary of the Annual Report in both English and Inuktitut, as required by Part B, Item 1 (xv) was not provided with the Annual Report. The Licensee is herein requested to submit this information to the NWB, as an addendum to the approved 2003 Annual Report.

Please contact the undersigned at (867) 360-6338 or e-mail Jim Wall (Technical Advisor, Municipal) at tech1@nwb.nunavut.ca if you have any questions.

Sincerely,

Philippe di Pizzo
Executive Director
