Subject: Submitted annual reports as per Part B, Item 1 of Licence 1BR-PEL0510 issued July 4, 2003

Dear Ms. Schultz,

The Nunavut Water Board ("NWB") would like to acknowledge receipt on April 8, 2005, April 18, 2006 and March 29, 2007 of the 2004, 2005 and 2006 annual reports respectively, submitted under Part B, Item 1 of Licence 1BR-PEL0510. After an internal technical review of the annual reports, the documents were generally found to meet the requirements set out in the Licence and they are hereby accepted.

During the technical review of the submitted annual reports it was noted that the volume of water used was included in the reports but not the purposes for which that water was used. The volume of water as well as the purpose for which water was used shall be reported in all future annual reports. Similarly the volume of any type of waste deposited in any landfill or permanent storage location, including contaminated soils, construction materials and any other contaminants, shall be included in all future annual reports.

The NWB also notes that the Licensee has not submitted a 2007 annual report. The Licensee shall submit the 2007 annual report within thirty (30) days of the issuance of this letter.

Should you have any further questions, please feel free to contact the undersigned at 867-360-6338 or by email: dbridge@nunavutwaterboard.org

Yours truly,

Deon Bridge
