Thank you for the submission of the Quality Assurance and Quality Control Plan as per the SNP outlined in the Nunavut Water Board issued Water Use License **1BR-PEL0510** to monitor the wastewater quality prior to discharge to the environment.

Upon review, it has been found that the plan is complete. Approval of the plan is hereby granted. Should you require further information, please do not hesitate to contact me at (867) 669-2781.

Sincerely,
