RE: AMMENDED DEVELOPMENT PERMIT NO. DPA-03-001A
FOX-5 DEW LINE SITE CLEAN-UP - QIKIQTARJUAQ, NUNAVUT

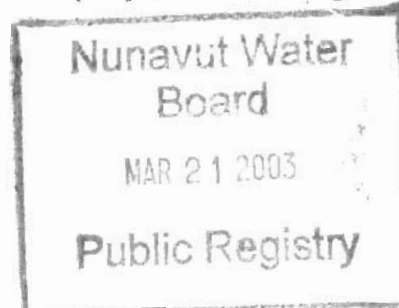

Please be advised your application for a development permit filed under DPA-03-001 has been amended by the Hamlet Council of the Municipality of Qikiqtarjuaq, during regular scheduled meeting 03-06 held on March 13, 2003 to read with the following conditions:

1. Scope of Work, Project Description, Contamination Studies and Reports, Public Consultation Reports, Project Specifications and Project Tender copies be provided to Lands Office – Municipality of Qikiqtarjuaq before clean up begins;
2. Any Changes to Scope of Work or Project Description will result in amendments to this Development Permit and therefore any and all such changes must be provided to Lands Office – Municipality of Qikiqtarjuaq in a timely fashion.

In conclusion, please find the original amended development permit no. DPA-03-001A which authorises Defence Construction Canada to proceed on the proposed clean-up located in Qikiqtarjuaq, Nunavut on the areas known as FOX-5; however, the development cannot take place before 14 days to allow for proper public notice. By a copy of the letter by fax to the Nunavut Impact Review Board, Nunavut Water Board, Department of Indian and Northern Affairs, Government of Nunavut – Department of Community Government and Transportation, Nunavut Tunngavik Incorporated and Qikiqtani Inuit Association I am advising them the issuance of the development permit and to submit any appeal related matters within 14 days of the original public notice. If you have any questions or need of further clarification please feel free to contact either Don Pickle, Senior Administrative Officer, or myself at (867) 927 8832 during normal business hours.

Sincerely,

Peter Kakkie
CLA/Development Officer
