Licence Administrator
Nunavut Water Board
P.O. Box 119

Dear Ms. Becker:

RE: Application for Water Licence
File No: NWB5QIK, Dew-Line Fox-5

The Water Resources Division has reviewed the water licence application for the above-mentioned document. Due to the scale and nature of the project, there is no licence requirement under the NWT Waters Act.

The water-related aspects of this project have been well addressed by the provisions made in this application and supporting documentation. Further issues are addressed by the land use permit issued to the proponent by the DIAND.

If you have any questions, please do not hesitate to contact me at (867) 975-4548.

Yours truly,

Michelle Johnson
