Re: Comments on Water Licence Amendment NWB5QIK - UMA Engineering Ltd. - Dew Line, near Qikiqtarjuaq, NU.

UMA Engineering Ltd. is seeking an amendment to the water license for the clean up work at the former FOX-5 Dew Line site. The following recommendations have been made in regards to Environment Canada mandated responsibilities for the enforcement of the *Canadian Environmental Protection Act* (CEPA), section 36 of the *Fisheries Act*, the *Canadian Wildlife Act*, and the *Migratory Birds Convention Act*.

Environment Canada has no concerns with the proposed amendments.

Please do not hesitate to contact me (867) 975-4649 or email at lawrence.ignace@ec.gc.ca with any questions or comments regarding the foregoing.

Yours truly,
