Dear Mr. Quinn:

In preparation for the upcoming hearing in Qikiqtarjuaq planned for the week of May 6, 2002 on the above-noted application, we would like to invite you and interested parties to participate in a pre-hearing meeting which will be conducted by teleconference on April 18, 2002 at 10 a.m. (Mountain Time).

The purpose of this pre-hearing is to identify issues to be dealt with at the hearing, to confirm the date, time and location of the hearing, to prepare a timetable for interventions, and generally to discuss procedural, administrative and logistical matters related to the hearing. The pre-hearing agenda is enclosed for your information. At this time, we expect that the hearing will take place on May 8, 2002, and in accordance with the Board's Rules of Practice and Procedure, written interventions on this application should be received at least 15 days before the hearing to allow for proper review by the Board and interested parties.

Please contact Rita Becker, NWB Licensing Administrator, before April 16, 2002 to confirm your participation so that teleconference arrangements can be done in advance.

Sincerely,
