Hi Rita,

We sent a copy of the application binder to the Hamlet last year on April 16, 2001. So they should have the entire application and supporting documents.

Just a note, is the pre-hearing tomorrow or Thursday? I thought it was Thursday.

Cheers,

Eva

Hi Eva,

Before the prehearing tomorrow, I just want to double check if the entire binder for NWB5QIK went to the Hamlet. We made excerpts available and indicated back in April 2001 that the entire binder was available from UMA. Just want to know if the Hamlet got an entire binder.

Thanks,
