Re: Application Acknowledgement for the Rankin Inlet Land Farm Licence Application

Dear Mr. Hodgins:

The Nunavut Water Board acknowledges receipt on April 8, 2008 of your new water license application, for the Rankin Inlet Land Farm Project.

We undertook a preliminary review of your application and conclude that it does not contain sufficient information for the NWB to evaluate the qualitative and quantitative effects of the use of water or the deposit of waste. Specifically, we are asking you to provide the following:

- Electronic copies of all documents received and pertaining to the application
- English and Inuktitut summary of the project
- Spill Contingency Plan/Operations and Maintenance Plan (can be one document)
- Abandonment and Restoration Plan

We will resume the processing of your application once we receive the requested information.

Please call the undersigned at (867) 360-6338 or email at [licensing@nunavutwaterboard.org](mailto:licensing@nunavutwaterboard.org) if you have any questions.

Sincerely,
