Thank you for the additional information received. We are still awaiting the Spill Contingency Plan/O&M Plan (can be one document) and the Abandonment and Restoration Plan. We have received notification that NIRB is screening this project and also there is mention in their letter that you have received email confirmation from NPC. Could you please forward a copy of that to my attention. Thanks.

Regards,

Phyllis,

Please see attached water licence application. I had previously sent this information to the following email addresses on March 31, 2008:

[wblic@nunavutwaterboard.org](mailto:wblic@nunavutwaterboard.org)

[nwblic@polarnet.ca](mailto:nwblic@polarnet.ca)

We are working on the remaining information you have requested. Please let me know if you receive these emails.

Thanks,
