5. a) Summary of Operation (Describe purpose, nature and location of all activities)

Refer to Section 22(2)(b) of the *Territorial Land Use Regulations* (Use last page of form if necessary)

Resolution Island BAF-5 is located at the south-eastern tip of Baffin Island, approximately 310 km southeast of Iqaluit. It was part of the Pole Vault Line from 1953 to 1972. The proposed project will complete further remediation activities identified through long term monitoring activities. Additional details are provided in the BAF-5, Resolution Island Remediation Design Report provided in Appendix D.

b) Indicate if a camp is to be set up (Use last page to provide details)

A temporary camp will be used for remediation activities.

6. Summary of potential environmental and resource impacts

(Describe the effects of the proposed program on land, water, flora and fauna and related socio-economic areas)

(Use separate pages if necessary)

An environmental impact assessment was completed prior to the initial remediation activities at Resolution Island. The proposed activities are covered under the initial scope of work. The proposed remediation of the Resolution Island site will aid in restoring the area to as close to pre-disturbed conditions as possible. With the removal of hazardous materials, removal of impacted soils, and mitigation measures to aid in preventing further environmental consequences, no adverse environmental impacts or cumulative effects are anticipated.

7. Proposed Restoration Plans (Use last page if required)

Please see attached Resolution Island Remediation Design Report included in Appendix D.

8. Other rights, licences or permits related to this permit application (Mineral claims, Yukon timber permits, water licences, etc.)
(Use last page if required)

Nunavut Water Board - Water Licence Amendment; Indigenous and Northern Affairs Canada - Quarry Permits; Nunavut Planning Commission - Conformity Review; Nunavut Impact Review Board - Screening Decision. All site remediation activities will take place on Crown Land. There will be no remedial activities on Inuit Owned Lands (IOL).
