Hi Holly,

I apologize for the delay.

Completed signature page attached. The request for additional aggregate has the support and approval of Nunavut Airports.

Hi Steve,

I tried calling, but got a busy signal.

I'm just checking in to see if there are any outstanding issues with the PCO, which we sent to you for signature last week (June 26th).

I am also still waiting to hear back from Nunavut Airports in regards to the request for additional aggregate.

Thanks,
Holly.
