Hi Richard,

We aren't submitting anything to the laboratory this year. May I provide this next year when sampling re-starts?

Thanks,

Holly.

Good afternoon,

Per TC's letter to the NWB on June 15, 2020 and the NWB's concurrence on the same day, TC was unable to perform its 2020 on-site monitoring due to COVID-19 travel restrictions, and therefore is not submitting an executive summary or annual report for 2020.

If you have any questions, please call or email.

Thanks,

Holly Poklitar
