Hi Richard,

Thanks for your October 8, 2020 request for comments on the Quality Assurance/Quality Control Plan for the Resolute Bay Landfill Remediation Project water licence 1BR-RBL1929 by Transport Canada. Crown-Indigenous Relations and Northern Affairs Canada (CIRNAC) has conducted a review of the document pursuant to its mandated responsibilities under the *Nunavut Waters and Nunavut Surface Rights Tribunal Act* and the *Department of Crown-Indigenous Relations and Northern Affairs Act*, and other associated legislation and policies. CIRNAC has no comments at this time on the Quality Assurance/Quality Control Plan.

Thanks and best regards,
