**Re: Resolution Island**

As per your conversation with Dionne, please find attached examples of terms and conditions with regards to Abandonment and Restoration taken from water licences of the Municipality of Cambridge Bay, Municipality of Iqaluit, and Nanisivik. Other permits, which NIRB will have on file, such as Lupin and Boston, will also have examples of terms and conditions.

These examples serve as background information, and do not serve the purpose of generic terms and conditions nor should they be used prescriptively.
