Good Afternoon Ms. Plato and Mr. Yetman.

I'm writing to followup on the email I sent on December 17th, 2014. We are following up on the 1BR-ROB0813 Water License Amendment and Renewal Application. We would like an update on the August 2014 long term monitoring event. Can you confirm when the AANDC will be able to submit the 2014 long term monitoring report and assessment? We believe it will be beneficial, on all sides, to have this report on file prior to the thirty (30) day comments period.

Lastly, we would like clarity on AANDC's plans for transitioning from the Phase I to Phase II monitoring program, including a detailed plan of the Phase II activities, and the future monitoring frequency.

Thank you.
