**Subject: Submission of a 2008 Annual Report & Long Term Monitoring Plan Addendum  
under Licence No. 1BR-SAR0916**

Dear Ms. Plato;

The Nunavut Water Board ("NWB") has completed a technical review of the 2008 Annual Report submitted under Part B, Item 1 of Licence 1BR-SAR0916. The report was distributed for information on May 1, 2009. Comments have been received from Indian and Northern Affairs Canada – Water Resources Division. Water Resources Division commented that sections of Part B, Item 1 including (g), (h) and (i) did not have any corresponding information provided in the Annual Report. The NWB notes these deficiencies and the Licensee is required to submit complete annual reports in future years.

The addendum to the Long Term Monitoring Plan required under Part J, Item 2 of the Licence was received as part of the Annual Report and was distributed for information on May 1, 2009. No comments were received specific to the Plan however the addendum was found to meet the requirements of the Licence and has been accepted by the NWB.

Should you have any further questions, please feel free to contact the undersigned at (867) 360-6338 or by email to [dcarr@nunavutwaterboard.org](mailto:dcarr@nunavutwaterboard.org) at your earliest convenience.

Yours truly,
