Re: Comments on NWB5SHE - CAM-3 Shepherd Bay DEW Line Site Project
CC: -

Dear Phyllis,

I have reviewed the NWB documents regarding this project. The only comment KIA has on this application is to ask why re-vegetation trials are not being conducted when cleaning up these sites. Otherwise, we are satisfied with the contents of the application.

If you have any questions regarding these comments, please feel free to call me.

Sincerely,

Lynn Carter
