**Subject: Submission of a request for Modification of the Sewage Treatment Facility,
under Water Licence 1BR-SIM0813, Part H, Item 3**

Dear Francois Bourassa,

The Nunavut Water Board (NWB) acknowledges receipt of the above-cited request for modification dated October 14, 2009, from Kudlik Construction Ltd., submitted in accordance with Part H, Item 3 of Licence 1BR-SIM0813.

The modification request as presented to construct and operate a waste water treatment plant including a new monitoring point is not compatible with the current terms and conditions of Licence 1BR-SIM0813. As such, Part H, Item 3(b)¹ applies and the NWB is not able to approve the modification at this time. However, the Licensee (or another authorized entity) may submit a complete amendment application detailing the request. The following will be required for an amendment application:

1. Application Form;
2. Executive Summary in English and Inuktitut;
3. Supplemental information provided with modification request;
4. Application fee;
5. Authorization from Indian & Northern Affairs Canada (INAC) to apply for an amendment on behalf of INAC, Contaminated Sites;
6. NIRB Screening Decision or letter from NIRB that no Screening is required for this amendment; and
7. NPC Conformity Review or letter from NPC stating no Conformity determination is required for this amendment.

Should you have any questions regarding the above, please do not hesitate to contact the undersigned by phone at (867) 360-6338 ext. 30 or at dcarr@nunavutwaterboard.org; please forward amendment application to Phyllis Beaulieu, Manager of Licensing at licensing@nunavutwaterboard.org.

¹ "such Modifications do not place the Licensee in contravention of the Licence or the Act;"

Yours truly,
