Re: 130913 1BR-STU1318 Open Burning Request - Distribution Review - Kitikmeot Review

Dear Ms. Beaulieu:

The Kitikmeot Inuit Association (KIA) has reviewed the open burning request submitted by Aboriginal Affairs and Northern Development Canada for its CAM A site remediation. The KIA is not opposed to open burning of untreated and/or uncontaminated lumber if the process is properly supervised, managed and cleaned up.

The KIA would like to thank the Nunavut Water Board for the opportunity to comment on this file. Please feel free to contact us if you have any questions.

Sincerely,

Luigi Torretti, MSc, BComm Senior Environment Officer Kitikmeot Inuit Association
