Subject: Fisheries & Oceans Canada – Pangnirtung Harbour Project – New – Type “B”

Dear Mr. Kiriluk:

The Nunavut Water Board (“NWB”) has received two separate applications from Fisheries and Oceans Canada to allow for the following activities:

- Construct a temporary crossing on the Duval River; and
- Redirection of a watercourse.

As the above activities are for the Pangnirtung Harbour Project, the NWB has upon consultation with the applicant, decided to include the application for redirection of a watercourse into the application currently available for comments.

The additional information received consists of the following documents:

- Conceptual Drainage Diversion Plan received September 1, 2009
- Culvert Bridge Questionnaire (diversion) received September 14, 2009
- Inuktitut & English Summary (diversion) received September 14, 2009
- Google Photo Image received September 14, 2009
- Photo of Drainage Outlet received September 14, 2009

The additional information can be obtained from our ftp site, Username: public, Password: registry at the following link:

<ftp://nunavutwaterboard.org/PRUC/1%20INDUSTRIAL/1B/1BW%20-%20Watercourse/1BW-DUV----/1%20APPLICATION/>

To ensure this application is dealt with in a timely fashion, the NWB maintains the previous date of October 18, 2009 for the receipt of all submissions pertaining to the application. Should any parties

require additional time to comment on the project due to the additional information, they are requested to contact the NWB at their earliest convenience.

Sincerely,
