2. Associated NIRB FILE No: 09UN052
3. Summary of modification: Activities include drainage improvements works, berm extension works and breakwater upgrades works.
4. Location: Qikiqtani Region; [Pangnirtung, within the municipal Boundaries]

The Nunavut Planning Commission (NPC) has completed its review of the above noted project proposal. The NPC has determined that this project proposal is outside the area of an applicable regional land use plan, and the works and

This project proposal is exempt from the *Nunavut Planning and Project Assessment Act* (NUPPAA) under section 235 of that Act.
