Re: New Application Acknowledgement for the Pangnirtung Small Craft Harbour Project

Dear Mr. Hawkins:

The Nunavut Water Board ("NWB") acknowledges receipt on June 19, 2009 of your new water license application for the Pangnirtung Small Craft Harbour Project, file number 8BW-IAD----

We undertook a preliminary administrative review of your application and conclude that, in accordance with approved legislation under the *Agreement Between the Inuit of the Nunavut Settlement Area and Her Majesty the Queen in Right of Canada* ("NLCA"), it does not contain sufficient information for the NWB to commence processing the file at this time. Specifically, we are asking you to provide the following:

- Culvert Questionnaire
- Inuktitut & English Project Summary
- construction drawings for the culver/channel installations that are stamped and signed by an engineer
- NIRB Screening Decision (or confirmation in writing that a NIRB screening is not required)
- NPC Conformity (or confirmation in writing that an NPC Conformity is not required)

We will resume the processing of your application once we receive the requested information.

Please call the undersigned at (867) 360-6338 or email at [licensing@nunavutwaterboard.org](mailto:licensing@nunavutwaterboard.org) if you have any questions.

Sincerely,
