Follow Up Flag: Follow up
Flag Status: Flagged

Hi Phyllis and Richard,

NIRB is currently screening a small craft harbour project from DFO for Pangnirtung – I know this proposal involves a water license application for culvert installation on a freshwater stream, though I am not sure whether or not the Proponent (Rick Kiriluk - DFO) has applied just yet.

NIRB will be sending out a Notice of Part 4 Screening for this project tomorrow, which you will be copied on as usual – I just wanted to give you a heads up to make sure that no water license is issued prior to NIRB completing the screening.

Hope things are going well in Gjoa Haven!

Best regards,

Ryan
